Minutes of Meeting held January 23, 1961, were read by Donald Norseth---State Water Distribution Engineer. The minutes were accepted with a correction by Frank Reese---- that only one statement would be sent out to each canal company.

Water Commissioner, Frank Haws, gave a report on Logan River for the past season. He expressed appreciation to the water users for their cooperation for the past season.

All Irrigation companies were given a book of a detailed report of the Logan River Distribution System---1961---which was prepared by Mr. Haws. He discussed briefly Drouth Conditions---Condemnation by Logan City---Measuring Devices---Special Problems which are all compiled in his annual report in detail.

Hyrum Gibbons stated that he thought it unnecessary that he install a measuring device where he diverts water from Logan River. He stated that his pipe would only carry 3 sec. ft. of water, and when the river dropped to 264 Sec. ft., he was shut off completely. The State Officials stated that they would go over this matter with him at a later date.

Mr. Frank Reese---Accountant State Engineer's Office---gave the financial report covering the period from January 1, 1961--through December 31, 1961.

\$ 2500.00.....Total Receipts.
2199.46.....Total Expenditures.

\$ 300.54.....Balance on State Engineer Check Book....Dec. 31, 1961.

None.....Bills Payable.

\$ 300.54.....Net Cash on Hand.

The Financial Report was accepted as read.

Owen Jenson nominated Frank W. Haws for 1962 Water Commissioner. Mr. Haws was voted in unanimously.

Mr. Lambert stated that the water of Logan River should be distributed by the State Engineer Department for the 1962 season.

Mr. Lambert congratulated Mr. Haws on his fine job as Water Commissioner on Logan River for the past season, and for his written report.

The 1962 Budget was set up as follows:

\$ 1800.00.....Water Commissioner
57.24.....Social Security
72.00.....State Retirement
50.00.....Bonds
240.00.....Travel Expense
200.00.....Office Expense
100.00.....Annual Report
80.76.....Miscellaneous
600.00.....New Equipment

\$ 3200.00.....Total
